

POLICY STATEMENT: Conflict of Interest

No member or officer of the Board of Directors, while serving The Women's Home as a volunteer, shall receive any type of compensation or consideration for services, including the submittal of a service-related invoice marked, "paid". Nor shall they unduly influence the Board(s) to purchase material, supplies, or services from a group, proprietorship, partnership or company in which they or their family have an interest.

This statement does not preclude a direct, freely given, charitable gift to The Women's Home of advice, money, real or personal property.

The undersigned has received, read and agrees to adhere to this policy statement, and has retained a copy for future reference.
